Sigma Tau Gamma Fraternity Recruitment Scholarship

At Sigma Tau Gamma, we look to foster and grow the spirit of Noblemen through dedicated experiences which enhance the college experience. We look to enrich Buckeye student life in a way that improves both mental and academic wellbeing. By emphasizing our six founding principles of Integrity, Excellence, Brotherhood, Citizenship, Leadership, and Learning, Sigma Tau Gamma at OSU looks to become a model of Greek life for those around us.

Tell us how you embody one of these six principles for a chance to win one of two \$50 Visa gift cards! Finalists will be contacted via email. For any questions or to get involved with Sigma Tau Gamma, contact Jake Novack via the contact info below!
